To the Honorable Henry J. Morgan Judge of the County Court of Lee County Virginia;

The bill of Complaint of ~~John D. Sharp and~~ William A. Taylor administrator of the estate of John D. Sharp decd. who Sues on behalf of himself and all the rest of the Creditors of ~~John~~ the estate of John Mc. Allen deceased respectfully represents humbly Complaining that on the 31st day of January 1859 one John Mc. Allen of Lee County Va, now deceased executed his bond in writing which is in the following words and figures to wit;

"$40.00 By or on the 1st day of January 1860 "
"I find myself, heirs &c. to pay John D. Sharp "
"and William A. Taylor, admrs of the estate of "

"recd. with interest from date. Witness my "
"hand & Seal this 31st day of January 1859. "
John Mc. Allen [Seal]

The said bond is herewith filed marked (A) and is prayed to be considered a part of this bill. Your Orator will here State that at the time the said bond was executed he with one John D. Sharp were both administrators of the estate of John D. Sharp decd. and knew the said bond was executed to them as such but now at this time and since the 22nd day of January 1867 your orator alone is admr. of said estate. Your orator will here State that since the execution of said bond

the Said John Mc. Allen departed this life leaving a widow Sarah Allen who afterwards married one Nathaniel Daugherty and the Said John Mc. Allen also left at his death an infant Son Charles F. Allen who is Still an infant under twenty one years old and the Said Nathaniel Daugherty and Sarah his wife and the Said infant Charles F. Allen all now live in the State of Missouri and are nonresidents of Va. Your orator will further State that the Said John Mc. Allen left at his death a valuable tract of land Containing 120 acres more or less and other real estate, Copys of deeds of which will be herewith filed marked (B) and asked to be made a part of this bill. He also left at his death a Considerable personal estate of the value of $ all of which real and personal estate are liable to be Subjected to the debt due the estate of John D. Sharp decd and the other Creditors of Said John Mc. Allen. Your Orator alleges that On the 21st day of March 1864 one Francis C. Allen the Said John Mc. Allen's father was appointed as his administrator who fully administered his decedents personal estate and afterwards on the 16th day of December 1867 he was removed from his office of Administrator aforesaid and at the Same time one James M. Orr then high Sheriff of Lee County was appointed administrator de bonis non of Said estate. Your orator alleges that the Said bond executed to John D Sharp and Wm A. Taylor administrators &c. herewith filed although long Since due and payable has never yet been paid either to the Said John D. Sharp and Wm. A. Taylor administrators aforesaid or either of them as admrs. or to the Said William A. Taylor Since his last appointment as admr. or to Said John D. Sharp died in his lifetime by the Said John Mc. Allen before his death or either of his admrs. Since his death they each and all of them have heretofore failed and refused to pay the Same and Still fail and refuse. So to do although often requested So to do. Your Orator will further State that although administration was granted on Said John Mc. Allen's estate to Francis C. Allen on the 21st day of March 1864 and the Same authority was transferred from Said Francis C. Allen to Said James M. Orr then Sheriff as admr. de bonis non on the 16th day of December 1867 but yet the Said debt is Still unpaid and no Settlements of their Administration Accounts as Such have ever been made. Your orator will further State that there was a bill filed in the Circuit Court of Lee County by Alexander P. Allen, James D. Allen Benjamin F. Allen and Fred C. Allen the last named being an infant and Sued by Alexander P. Allen his next friend against the Said Nathaniel Daugherty and Sarah J. his wife, Francis C. Allen Charles F. Allen infant Son of John Mc. Allen decd. and James M. Orr Sheriff and admr. of John Mc. Allen decd and Admr. of Wm. C. Allen decd.

and Henry T. Furgerson by order of the Court all of whom were made defendants to Said bill and at the October term of the Circuit Court of Lee County 1872 a decree was rendered in Said Cause as follows Francis C. Allen recovers of James W. Orr admr. of John M. Allen decd $200. with interest from July 15th 1860. James D. Allen the like Sum with interest from the 13th day of Sept 1863. Alexander P. Allen the like Sum with interest from April 14th 1865. Benjamin F. Allen the like Sum with interest from april 22nd 1867. and Orthodox C. Allen the like Sum with interest from the 11th day of April 1872 and that the plaintiffs recover of the Said Administrator the Costs of their Suit and the Said decree also appointed Michael B. D. Land a Special Commissioner for the purpose to Sell the land in the bill mentioned that is the land belonging to the estate of John M. Allen decd. or So much thereof as may be Sufficient to pay the amounts thus decreed and the interests and Costs & expenses of Sale in Case the Same was not paid within 60 days after the date of Said decree. Your Orator will here State that the parties to this bill filed in the Circuit Court have taken an undue advantage of Your Orator which he knew nothing of until after the Said decree was rendered

he not having been made a party thereto nor does it appear that any of the rest of the Creditors outside of those mentioned in said bill knew any thing of the proceeding it being not a Creditors bill but a bill for the benefit only of the relatives of the said John M. Allen decd. to the exclusion of your Orator and the rest of the Creditors and the infant heir of said John M. Allen. And your Orator will further state that there were no prior Liens against said estate but that they should all come in ratably but he here claims the right to contest the claims (or to be put in) against said estate which he has a right to do under this bill And for this purpose your Orator asks that all proceedings on the said decree be enjoined ~~until~~ and that the whole proceedings as to the Settlement of said estate and the payment of the debts against the same be Settled by this bill and suit it being filed & brought on behalf of your orator and all the rest of the Creditors of John M. Allen decd the beneficiaries in the decree claiming to be such.

Now the object of this bill is to have a settlement of the administration accounts of the administrators of the estate of John M. Allen decd. and the application of the personal assets to the payments of the debts against the same and if necessary to ~~sell~~ Subject the real estate of said

John M. Allen decd. to the payment of the Same. Your Orator being without an adequate remedy at law and best relievable in a Court of Equity his prayer therefore is that Nathaniel Daugherty and Sarah J. Daugherty his wife and Charles F. Allen infant Son and heir of John M. Allen decd. and Francis C. Allen late administrator of John M. Allen decd and James M. Orr present administrator de bonis non of John M. Allen deceased and the beneficiaries, ~~of~~ in Said decree to wit: Francis C. Allen, James D. Allen, Alexander P. Allen, Benjamin F. Allen, And Orthodox C. Allen, & Said Mr. B. D. Lyon Comr. in Said decree (be all made parties defendant to this bill and that they all be Summoned to answer the Same upon their oaths and that an order of publication be made posted and published against the nonresident defendants and that a Guardian ad litem be appointed to appear answer and defend in this Cause for Charles F. Allen the infant defendant in this Cause and that upon a hearing in this Cause a Commissioner be appointed to take State and Settle the administration accounts of Francis C. Allen late admr. and James M. Orr present admr. of the state of John M. Allen decd and that the real and personal assets be marshalled and that an account of the outstanding debts against Said estate be taken and that the personal assets and So much of the real assets as may be Sufficient be applied to the payment of the decedents debts and Subjected thereto and also Subjected to the payment of the interest Costs and expenses of this Suit.

And that the beneficiaries in Said decree to wit Francis C. Allen, James D. Allen, Alexander P. Allen, Benjamin F. Allen, And Orthodox C. Allen, and the Commissioner appointed to Sell the land under Said decree Michael B. D. Lane be all enjoined from further proceedings under Said decree and that the Said James M. Orr admr. as aforesaid be also enjoined from paying out any moneys in his hands as admr. to the beneficiaries or Commissioner in Said decree and Such further equitable and general relief be extended to your Orator as may be Consistent with equity and Justices and best Suited to his Case.

The Seperate Answer of Charles F. Allen infant Son and heir of John M. Allen deceased by David Miller his Guardian ad litem to the bill of Complaint, and amended bill thereto filed in the County Court of Lee County by William A. Taylor Administrator of John D. Sharp deceased against the said Charles F. Allen and others respectfully represents that he now and at all times hereafter reserves to himself the benefit of the usual exceptions to Complainants bill and for answer thereto Says that he the said Charles F. Allen is an infant of tender years and has not the discretion of a person of mature years and therefore neither admits nor denys the allegations contained in Complainants bill and knows nothing of the facts of the case as alleged in Complainants bill but the Courts of Chancery being the peculiar guardians of the rights of infants, of interests, this defendant asks the protection of the Court in any and all things that affects his rights and interests in the premises and further asks that the Complainant in this Cause be required to proceed therein according to the strict rules of equity and Justice and having answered the Complainants bill as fully as it is deemed advisable for him to answer this Defendant prays the same to be dismissed with his Costs.

} In Chancery

The deposition of Alexander P. Allen and David Bunnertaten in the above Styled Suits before Henry J Morgan a comr of the circuit Court of Lee county on the 17th day of Decr 1873 at the time of taking an account therein And the said Allen being duly sworn deposes & says

I am very well acquainted with the tract of land lately owned by John M. Allen dcd. But I am not well prepared to say anything in relation to its annual rental value or whether it will be worth any thing in the way of rents for the following reasons

About the month of January 1873 Judge Lane acting as a comr of the circuit court of Lee county offered for sale so much of said land as would be necessary to raise the sum of about $1445.67 that being the amounts of certain decrees then adjudged against the same at which sale I became the purchaser of so much thereof at $10.00 per acre as would be necessary to raise said said Sum, And the quantity so purchased by me has not as yet been layed off to me so as to disclose the facts whether there will be any left outside of the dowers therein. My opinion is that if there is any outside of said Dowers it will be but a small quantity and that, in all probability unimproved and should such be the case then the real estate of said John M Allen would not rent for any thing, nor can I now make any estimate of the fee simple value thereof. It is possible that there may be a sufficient quantity of said land left outside said dowers to sold to pay the debts due the pltff, but I have no idea that the rents of such would in 5 years pay the same, And further this witness saith not.

N. P. Allen

The said David Banner being duly Sworn deposes and says

I am well acquainted with the land lately owned by Jno M Allen decd, and my understanding is that the land purchased by Alexander P Allen was to be laid off to him so as to embrace the dower of Ursula Wilson and if the same should be so laid off to him, then the residue of said tract out side of the dower of the widow of said John M Allen would in my opinion rent annually for not less than Twenty dollars But if the piece bought by said Alexander P, should be laid off to him out of said lands not covered by either of said Dowers then I hardly think there would be a sufficient quantity not so covered by dower to pay him or make up the quantity to which he is entitled under his purchase And further this deponent saith not.

David Banner

The said Alexander P. Allen being again introduced says further that in order to save the estate of John M. Allen decd from being sued and subjected to costs I voluntarily paid to Wm P. Duff present adm of Mary Duff decd a note executed by John M Allen on the 3rd day of January 1860 to John D Shuff adm of Mary Duff decd for $13.55 due 12 months from date, and I also paid the balance of a note executed by Francis C Allen as late adm of said John M Allen decd to Jerome B Glasp and this balance amounted to about $18.00 or $20.00 and was paid about the fall of 1872

William A Taylor admr. &c. Plff
against
James H. Orr admr. of John M Allen & Thos Dffts
} In Chancery

To the Hon John A. Kelly Judge of the circuit courts of Lee Coty.

In order to discharge certain duties contemplated by a decree rendered in the above cause on the 5th day of the present month I pursuant a notice setting out in general terms the nature of the proceedings to be had and fixing my office the place and the 17th of Dec as the time when I would execute the same. And this original notice is herewith filed marked (A3) One copy of which I posted at the Court House door on said 5th of Dec, another was posted at Stick Cypress and a third at the Store House of Loyd & Howe by the Sheriff all which is shown by his return to be seen by looking at said copy (A3)

I also Summoned before me on this day as witnesses to testify in relation to the Annual rental value of the land lately owned by John M Allen deceased his brother one Alexander P. Allen and David Bonner and their Statements in the premises I reduced to writing and file herewith the Same marked (A6)

Having thus notified all persons concerned and taken the evidence aforesaid I now come to consider the duties assigned me by the decree under which I am acting and it seems that in regular course of such proceedings the administration account referred to in the said decree ought first to call our attention And to that subject your attention is now called

The said John M Allen departed this life, sometime during the late war intestate, leaving a widow, and an only child - Chas F. Allen. The said widow has since intermarried with one Nathaniel C. Daughety who is now living in Texas as I am informed.

Not a great while after the death of said John M Allen his father Francis C. Allen took out letters of administration on his estate and continued to act as such until 1867, 1868 or 1869 and until he was removed by an order of the County court long after his removal from this county to the state of Kentucky.

About the year 1867 said Francis C. Allen made a settlement of his account up to the 16 Feb 1867 before a com'r of the County court by which it was ascertained that at that time there was in his hands unaccounted for the sum of $142.80

After the removal of said Francis C. from his office of adm'r the estate of said John M. was committed to Jas H. Orr then high Sheriff of the County of Lee, who continues to act as such.

About 1857 or 1858 the said F. C. Allen conveyed to his Son John M a valuable tract of land lying on Wallens creek not far from Rockwell ville with condition however as it has since been solemnly adjudged that the said John M. should pay to each one of his then five brothers the sum of two hundred dollars as they respectively should attain to the age of 21 years but before paying any one of either of said sums the said John M. died. And soon thereafter his brother William also died intestate and unmarried and as a matter of course the said Francis C. his father became his only heir and in this way became entitled to the $200.00 which his Son William would have been entitled to said he had lived from said John M's estate

About April or May 1868 the said Francis L and his fellow laying Sons brought Suit in your Honors Court to enforce payment of said claims and a decree was pronounced therein in their favor and the real estate of said John M Lusbeen sold to the extent of some $1445.67 to pay said claims and costs.

During the progress of that suit I was directed among other things to state and state said administration account which I did bringing it down to Feb 16 1872 by which it was ascertained that there was then in the hands of said Francis L unaccounted for $87.06 of principal and interest

After the filing of said account to wit on the 14th day of May 1872 the said Francis L Allen sent to this county by Mr Kincaid $75.00 which was paid by him to Mr Jas H Orr the present Clerk as will be seen by reference to exhibit (B) filed in the cause and from this statement it would seem that there is still in the hands of said Francis L the sum of $12.06 But as he is one of the beneficiaries in said decree it is presumed that that small matter will be adjusted in the settlement and payment of what may be due him.

Now when your honor came to make a decree in the cause to which I have been alluding, you deducted the sum in Mr Orr's hands from the aggregate indebtedness of said estate and ordered real estate to be sold for the excess beyond said $75.00 in this transaction it is now seen that the said fund in Mr Orr's hands has already been disposed of And he informs me that he has received no other assets belonging to said estate. I have therefore to state in this cause that there are no personal assets in the hands of James H Orr present Clerk of said John M Allen with which to pay outstanding debts, or for any other purpose whatever

As to the outstanding debts against the estate of John M Allen deceased, I have no knowledge of any except the one sued on by the Pltff in this cause, and filed as exhibit (A) with his bill. This note seems to have been executed on the 31st day of January 1859 by John M Allen, to John D Glaspell & Wm R Taylor admrs of John D Glaspell deed for $10.00 with interest from date, and payable the first day of January 1860. And the same being calculated down to January the 31st 1874 amounts principal and interest to $76.00

Alexander P Allen sets up a claim against said estate for a certain sum paid by him to William P Duff present admr of Mary Duff deceased. By looking at a paper here filed marked (AD) which is the foundation of said claim it seems that some one, perhaps F. C. Allen did execute to said Duff a note for $7.74 or was in some other way indebted to him that sum, But the affidavit as filed marked (AD) shows that Francis C. Allen paid said indebtedness whether endorsed by note or otherwise. This claim is therefore disallowed in whole.

Since writing the foregoing report Another paper was produced to me and I herewith file the same marked (AE) by which it appears that Francis C. Allen as administrator of the estate of John M Allen ded, on the ___ day of Nov. 1866 executed to Jerome B. Glaspell his note for $14.97 due one day after date. This note has evidently been paid and from the affidavit on the back thereof made by said Glaspell it seems that said Alexander P Allen paid the same. I herewith bring this forward as another claim against the

5

estate of said John M. Allen dec'd. This fact, evidently, shows that a debt of that amount was at one time due said Glass, that F.C. Allen was the party who owed the debt, and the affidavit shows that Alexander P. Allen paid it, but it does not follow as a matter of course that said estate at any time owed the debt, notwithstanding the note upon its face reads "I bind myself as agent of John M. Allen dec'd. to pay &c" for the said Francis C. might have, if he had chosen so to do, executed the same in a note given for his own liability, and if such evidence is sufficient to charge an estate with a debt, then an administrator has it in his power to charge an estate with all his individual liabilities

It seems to me therefore that I must disallow this claim also, for to open such a door as this, there is no telling to what extent frauds might thus be practiced

I have but little doubt in point of fact, that said note was given for a liability of said estate, if the facts were shown as they really are, and which might have been shown by Mr. Glass himself, but this has not been done and to my mind the evidence is wholly insufficient upon which to found a debt against a dead mans estate.

If said note had been executed by John M. Allen in his life time and then paid by said Alexander P. as is shown in this instance to have been done, the case might have been different. Or had it been shown by the deposition of Glass that said note was at the time executed by said Francis C. for a liability or debt of the said John M's then the case would have rested on a better foundation than it now does, and did either of the supposed cases have exist-

I should be disposed to allow the claim, but as at present presented cannot decline so to do, for the reasons stated,

As to the Annual rental value of the real estate of the said John M Allen I can scarcely express an opinion nor could the witnesses brought before me for that purpose give any decided opinion on that subject

It will be borne in mind that the real estate of John M Allen is subject to two dower estates that of Mesulu Wilson and the late widow of said John M, both of which have been assigned them, that of the former off of the east end or side and the latter on the northwestern corner thereof

It will also be remembered that in the Chancery Suit of F. & C. Allen & Sons, against the admr & heirs of John M. Allen, there was Sold about $1447.00 dollars worth of said real estate. In this Sale the land was Sold by the acre, and said Alexander P. Allen became the purchaser at a given price per acre, and the land so purchased has not as yet been laid off to him so as to disclose the boundary yet unsold and not owned by one of said Dowers.

The decree under which said Sale was made as well as I can remember directs that so much of said land be Sold off of the eastern end or side of said land running parallel with the eastern line as would sufficient to raise the requisite Sum, And the Commissioner who made the Sale reports that he sold in Conformity with the decree and said report of the Sale has been Confirmed

The purchaser Alexander P. Allen insists upon having

the land purchased by him laid out to him out of the land not covered by one of said Dowers, and Should this be done it is probable no land would be left to rent, or if any should be left, it is probable it would be a Small piece of uncleared mountain land, So in this view of the case the rents and profits of said real estate would not in five years pay said debts.

It Seems to be a conceded fact that Ursula Wilsons dower lies upon the eastern part of said tract, And from the terms of said decree and the opinion of the Court who made the Sale I am inclined to think that Alexander P. Allen bought that portion of the real estate covered at least in part by the dower of Ursula Wilson. Should the land purchased by said A P Allen be laid off to him on the east Side and in a lady running parallel with the outline it will embrace a great part of Mrs Wilsons dower, and will leave a Small body of cleared land which according to the Barnums opinion would be worth Twenty dollars per annum in the way of rents. And Should said purchase be laid off thus the rents and profits of said real estate will in five years pay said debts and perhaps the costs too.

I have now discharged the duties assigned me by said decree in the manner herein indicated and now ask hence to be discharged.

All which is respectfully Submitted

To the Honorable Henry J Morgan Judge of Lee County Court

The undersigned Comrs & assistant Comrs of accounts respectfully reports that by an order of your Honor at the Decr term 1876 the settlement of the administration account of John D Sharp & Wm A Laylor Admrs of John D Sharp Sr dec'd was committed to us, with instructions to make said settlement at the Court house of this County, after legal notice to the Admrs. We proceeded at the said Court house on the 14th day of May 1877 and succeeding days, to make said settlement, after having given the notice required in said order, and have made a statement of said account up to Decr 1st 1861. The said Admrs were appointed and qualified as such, on the day of 18 and on the 1st day of February 1855 made settlement of their account before J. W. S. Morrison one of the Comrs of your Honorable Court, which settlement from some cause or other never was confirmed or recorded and which settlement we have filed with this report Marked "X". On examination of said settlement made with Comr Morrison, we find some errors therein, and have therefore made this settlement to ex-

tend from the beginning of said administration up to said 1st day Dec. 1861. Your Comrs are informed that the said Wm A Taylor Admr removed from the State of Va about the 22nd day of Nov 1855, and that said John D Sharp Admr likewise removed from this State about or sometime in the year 1861 or 1862, but finding it difficult to do so, we have not attempted to seperate the account, so as to show the transactions by the Admrs during the period they were both present acting together, and during the time Mr Sharp was Admr alone, although the first & second annual Statements in the account, extending to Dec 1st 1855, embrace very nearly the period the two Admrs acted together, and the remaining part of said account covers something near the period that Mr Sharp acted alone, but we have stated the account entirely as a joint administration account, leaving it entirely an undivided matter, for the two administrators to ascertain their standing in the transaction, with reference to each other.

We have charged the Admrs with the appraisment bill of said Estate, herewith filed Marked "A", with an inventory of Solvent debts herewith filed Marked "B", with a second inventory of debts collected herewith filed marked "C", and with Cash received from Brittain Poteet, making an aggregate sum of of principal $7515.50, with which they are charged in the first annual statement, and have charged them with $1758.65 interest on said Inventory "B" & have charged them with interest on the balance unaccounted for in said first year, and in the annual statement Dec 1st 1860, with $8000 Collected on a debt from Wm P Miller, and have given them Credit for disbursements made by them, as shown by Exhibit "D", and for difference between sale Bill & the appraisment bill,

and for disbursements made by them vouchers for all of which are herewith filed numbered from 2 to 11 inclusive, or nearly so, and those not filed are evidenced by the account Current kept by the Admrs, See Exhibit "D" and we have given them credit for the value of Slaves conveyed by the heirs to the widow of said decedent, Vouchers No 16 & 17; and we have given them credit for ten per cent Commission on their disbursments, resulting in finding that the Admrs had overpaid their liability on the said 1st day of Decr 1861. by the sum of $712.05-. It will be seen, we have prepared a special Statement, which follows immediately after the general statement of said account, and by which it appears that the amount realized by said Admrs for distribution among the heirs and widow of said estate, was $6180.19, after the debts had been paid, out of which sum the widow, Polly Sharp, was entitled to $2060.06 and said John D Sharp, Said Wm A Taylor & Mary H B Sharp & Henry C Sharp were entitled as heirs & distributees, each, to the sum of $1025.03, but it appears that the said widow received the sum of $363.36 in excess of her share, and the said John D. Sharp $187.13 in excess of his share, and the said Mary H. B. Sharp $143.41 in excess of her share; and the said Henry C Sharp $26.72 in excess of his share; and that said Wm A Taylor did not receive the amount to which he was entitled by the sum of $8.56.

Your Comrs were informed, by one of the Admrs, Wm Taylor, that the reason why distribution had not been made to the heirs of Benjamin Sharp decd. who was an heir of said Estate, was because the said Benjamin had received by way of

advancement, in his lifetime, all his interest in said estate, The said Wm A Taylor returned to this County some time in the year 1867, and was appointed Admr de bonis non of said estate, & in his settlement made by your Comrs, will be seen his receipts and disbursements during his second administration. And your Comrs knowing of nothing further that need to be reported upon specially, respectfully submits the foregoing statements of said account, together with this report, as the result of our labors.
